

The Window and Door Store provides fast and free nationwide delivery on all orders over £100. Under £100 a £20 delivery charge will incur. Some postcodes are restricted, and if delivery is required to a multi-storey building (ie a block of flats) please contact us prior to ordering so that we can arrange a suitable solution. Our lead times are provided in good faith, however may be subject to change for reasons out of our control. Please view our terms and conditions for more.

Composite Products	1 - 2 weeks
UPVC Products	1 - 3 weeks
Aluminium Products	2 - 4 weeks

For certain products ie Upvc windows fast trak is available as a chargeable extra. Please contact us for more information.

Please note: Some colours/configurations are non stock and will be subject to extended lead times. Please contact the office for more information.

After your order is placed you will receive an order confirmation, after this we will provide you with your delivery date asap. We advise that you check your order confirmation as after 24hour window from order placed your product will be entered into the manufacturing process and no further changes can be made.
